Re: Alternative Grounding Methods

March 1st, 2011

To Whom It May Concern,

This is an official memo which serves as an addendum for alternative grounding methods to be used with racking and mounting systems, with Astronergy panels.

Section 1 Astronergy Crystalline Modules

CHSM5612M	CHSM6609P
CHSM5612M-BL	CHSM6610P
CHSM6610M	CHSM6612P
CHSM6610M-BL	

Section 2 Compatible Alternative Grounding Devices and Methods

UL-approved WEEB grounding devices, such as barbed washers

This addendum is subjected to change without notice, and will be updated periodically to reflect the latest modifications.

Best Regards,

Andrew Li
Director of Marketing
Astronergy
